Officer Rivera explains the training that goes into becoming a K-9 Police Dog.

Assistant Principal, Ms. Bonilla and our own Officer Mormon look on, as do our Principal Ms. Leal and our Treasurer, Ms. Zuozo.
Officer Rivera prepares to hide a bag that the dogs will attempt to “sniff out”.

Fellow officers demonstrate a “perp take down”, when the K-9 Police Dogs are used to capture a suspected perpetrator of a crime.
Thanks for coming out and being part of our Criminal Justice Careers presentations.
